**REQUEST FOR REFUND**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

According to our Deposit Account No. 18-0988, a charge to our deposit account was made on August 16, 1999 in the amount of \$120.00. In view of the amount and time of the charge, it appears that the payment in the amount of \$120.00 accompanying a petition for one month extension of time dated July 19, 1999 and a completion of filing requirements dated July 19, 1999 were deficient, and that the deposit account was charged to cover fees for a large entity. However, a small entity statement was previously submitted on May 26, 1999 with a Request for Refund of one half the filing fee. A review of our account reveals that the Request for Refund has not been processed.

In view of the foregoing, request hereby is made for a refund in the amount of \$120.00, this being the amount charged to our deposit account on August 16, 1999.

Also, a Request for Refund in the amount of \$1,125.00 is requested again, the original request having been submitted on May 26, 1999. A copy of that original request is enclosed.

Please contact the undersigned and advise when the amounts have been credited to our deposit account. Our deposit account number is 18-0988. The credits should be made against Attorney Docket No. DYOUP0185US.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, P.L.L.
